

2003-47

I am against Court Rule No. 2003-47. I have been diagnosed with asbestosis disease as a result of working all my working life (40 years) as a building tradesman exposed to asbestos. It seems that Michigan and the Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by corporate misconduct. How about representing the electorate for a change?
